

Passport to professional life

PITCH is an ePortfolio solution to enhance the link between the student and the professional life.

The institution can define, assess and certify all students' outcomes including learning goals.

These education assets are then stored in the students' ePortfolio to be easily promoted to social networks, alumni and professional organizations.

PITCH ePortfolio

LEARNING GOALS REPOSITORY

The institution builds their **repository of learning goals**: either created or based on existing ones downloaded in PITCH.

Learning goals are structured by **domains** and **level of assessment**.

STUDENT ASSESSMENT

The institution manages the **level of contribution** of each course to the learning goals' achievement, based on dedicated criteria.

Teachers assess students' learning goals gradually depending on what they have already acquired during their courses.

ADVISORS

Students' ePortfolio can be followed by advisors who are dedicated to **helping** them **enhance their assets** and increase their opportunities of finding an internship or a job.

DIGITAL PASSPORT

The CV of the student appears as a digital passport that can be adapted to their objectives:

- **Different versions** for each context internship or job search
- **Configurable sections** according to the contents
- **Recognition of certified learning outcomes** (learning goals, diplomas, internships, transcripts, references...)
- Adding **proofs of competencies** (documents, videos, book...)

LINKED WITH COURSES AND PROGRAMS

Learning goals can be **linked** with any **courses, internships, activities** of any programs which contribute to their overall achievement but also with targeted jobs. The achievement of learning goals is processed through learning objectives assessment.

OUTCOMES CERTIFICATION

All **outcomes acquired** by student (learning goals, transcripts, internships, references, diplomas) are **certified** by the institution and will automatically appear in the student's ePortfolio.

Certification is a guarantee of **credibility** for a student looking for new career opportunities.

CONTACT WITH ALUMNI

PITCH provides possible **interface** with the **alumni management** solution to enable students to get in touch with them.

PROMOTE PASSPORT TO...

...**recruiters, alumni, social networks** with one click.

Standard dashboards allow students to monitor which passport was viewed and by whom, so they can prioritize the next steps for **finding an internship or a job**.

- Multilingual
- Full web and responsive
- Learning goals repository
- Student assessment
- Outcomes certification
- Digital Passport
- Fully integrated with your Information System (Web services, XML)
