A complete range of dedicated modules

Faculty Management

Enable all academic staff to keep their individual CV's – including work experience, degrees, affiliations and other activities – up to date.

Research Management

Document and monitor all publications and other research activities and link them to research groups, contracts, as well as journal rankings.

Accreditations

Manage – in parallel – seven national and international accreditations, such as AACSB, AMBA, EQUIS, and various others.

Syllabus

Oversee syllabi from their initial development to publication, including (*)ILO management, and publishing catalogues.

AOL

Run the complete AOL process from curriculum mapping to measurement collection and closing the loop.

PITCH ePortfolio

Certify all student learning goals and outcomes (transcripts, internships, diploma) within a digital passport.

Workload

Organize and document all your faculty's forthcoming activities, such as research, teaching and services.

Dynamic Collection

Automate the faculty's data collection campaigns to generate a regularly updated CV for each faculty without a dedicated login.
